

Mad-City Ski Team

Financial Aid and Payment Plan Application

PURPOSE:

The ski team has a fund available to provide financial assistance to individuals or families that are in financial need. Payments of awarded amounts are to be applied towards cash fees. The individual or family will be expected to participate in fund raising activities and come up with other ways to contribute to the ski team.

Individuals can also ask for payment plan options if they are financially able to pay team dues, but paying the dues as one payment would be financially difficult.

ELIGIBILITY CRITERIA:

1. Individual or family would not otherwise be able to participate during current season if financial assistance or payment options were not available.
2. Individual or family is required to participate in club fund-raising activities as well as extra work days. This will be determined on an individual basis.

FUNDING:

The Mad-City Ski Team Board of Directors shall determine the amount of funds available on an annual basis.
